

Grandma

*In the quiet of the night, I feel your gentle presence near,
Though you've left this earthly realm, your spirit's
ever clear.*

*Your laughter echoes softly in the corners of my mind,
memories of your warmth and love, so tender and so kind.*

*With each passing day, I miss you more than words can say,
but I find solace in the memories that forever stay.
Your love was like a beacon, guiding me through dark
and light,*

*and though you're gone, you shine within my heart,
forever bright.*

*Though I cannot hold your hand or hear your
soothing voice,*

*I find comfort in knowing you've found eternal rejoice.
So here's to you, my dearest one, in heaven's
sweet embrace,*

Until we meet again, I'll cherish every moment, every trace.

Expressions of Gratitude

*Perhaps you sent a lovely card
Or sat quietly in a chair.
Perhaps you sent a floral piece,
If so, we saw it there.
Perhaps you spoke the kindest words
As any friends could say,
Perhaps you were not there at all,
Just thought of us this day.
Whatever you did, whatever your part
We Are Grateful
